

REMARKS

In the Office Action of April 15, 2010, the Examiner suggested a minor change to claim 1 that would put it in allowable condition and overcome the technical 35 U.S.C. 101 rejection of claims 1 and 15.

By this amendment, applicant has amended claim 1 in the manner suggested by the Examiner and amended claim 15 similarly, putting all the pending claims in allowable condition.

The Examiner's suggestions and assistance to emphasize patentable subject matter in the claims is noted with appreciation.

It is believed, therefore, that the application is now in condition for allowance. An early Notice of Allowance is respectfully requested.

Respectfully submitted,

/Jason H. Rosenblum/
